

Chartered Membership Agreement

MABA regards the standard of competence and professional ethics within the field of Applied Behaviour Analysis as being essential and important. The adherence to the Standard of Competence and Professional Ethical Standards (For reference: <https://m-aba.com/wp-content/uploads/2024/01/MCBA-MABA-Ethical-and-Professional-Standards.pdf>) ensures that the community we serve, stakeholders who are involved, and other professionals can trust us to deliver services that are beneficial to others, compassionate in nature, treat others with dignity and respect, and to ensure that the service is delivered competently.

Therefore, applicants of the Chartered membership are required to sign this membership agreement to adhere to MABA's Standard of Competence, Professional Ethical Standard, and policies. The MABA's Standard of Competence and Professional Ethical Standards must always be adhered to when operating within the professional capacity.

If approved member holds certifications from other credentialing board(s) (e.g., BACB/ QABA), he/she must adhere to MABA's Standard of Competence and Professional Ethical Standards as well as ethical codes of conduct by their respective credentialing board(s). (For reference: <https://m-aba.com/wp-content/uploads/2024/01/Highlighting-the-Differences-between-MABA-and-BACB.pdf>).
